"A Place to Care, A Place to Grow, A Place to Shine"

"Train up a child in the way they should go and when they are old they will not depart from it" **Proverbs 22 v 6**

It's been quite a year!

Nearly one year ago we went into lockdown. We thought it would last a few weeks at the most, how wrong we were.

The last year has been really hard, but you have all been brave, strong and have been really good at dealing with all the changes that have happened.

We are so proud of you; you are all super-heroes.

You have all learnt how to work in different ways - some of you have been brilliant and worked at home whilst others have come into an empty school and worked really hard too while Mum or Dad did a really important job. Whatever we have asked you to do, you have done it brilliantly.

I wonder how many of you have learnt a new skill at home? Maybe you have done some cooking or baking for the first time? Maybe you have helped with gardening or washing the car? Maybe you have enjoyed walking with your family and your dog if you have one? We have really enjoyed seeing all the photos on Facebook. For those of you who have done all your learning at home, please do bring into school your packs of work so that your teachers can have look at them with you.

Like all things, however, this stage of lockdown is now coming to an end and we have to look forward to what comes next. For us, and all the children around the country, this involves coming back to school on Monday 8th March and seeing all your friends and teachers who have missed you so much.

We know you will need time to adjust, you will need space to feel comfortable again and space to also get active. What are you looking forward to the most? Sports, music, art, maths, phonics, reading? Whatever it is you need, all your teachers and the staff at school will do everything we can to make it easy for you.

You may not know it yet, but you have a wonderful future ahead of you. We trust you, we have faith in you, and we know that we can all help each other get through this together. We can't wait to see you on Monday 8th March and we hope you have a fun weekend together at home before that.

From Mrs Tomlinson and all the staff at Wharton CE Primary School.

Mrs N Tomlinson (Headteacher)

Wharton Church of England Primary School is an inclusive caring Christian community, committed to building futures for all children. We offer a safe environment where everyone is valued, we nurture strong relationships that are underpinned by our Christian values and we champion children to be the best that they can be, empowering all to aim high and achieve their full potential.
