

Dear Parent/ Guardian,

During the last 12 months, we've worked with thousands of children in schools all over Cheshire and North Wales. We're now delighted to be coming to your child's school to run our very first Digital Wizards club with lots of exciting activities using the latest technology.

**Kate Barrett** recommends Digital Wizards.

My son thoroughly enjoyed digital wizards at his school! Every session he had so much fun and learnt so much! Amazing! Thank you

**Matthew Riley** recommends Digital Wizards.

Digital wizards attended my daughters school this term and she absolutely loved attending the sessions! Many thanks

**Kristina Stacey** recommends Digital Wizards.

My son loved the sessions - lots of variety, well led, really enjoyable (and wants to learn more)! Thank you!

Your child will have fun using thousands of pounds' worth of the latest technology whilst also developing vital STEM skills in Computing, Maths, Science, English, Music and DT. Activities include...

### Virtual Insanity

Immerse yourself in different worlds with our Virtual Insanity experience! Walk around the land of the dinosaurs, climb aboard a rip-roaring roller coaster & much more!

### Musical madness

Use technology and your imagination to create the most amazing musical instruments. Banana bongos, water pianos, the opportunities are endless!

### Lego mania

Build a Lego robot & let the magic begin! From crazy crocodiles to awesome aeroplanes, using motors, sensors and your coding skills we'll show you how to bring your project to life...

### Robot wars

Rise to the robot challenge! Build a crazy course as you program your robot to twist, turn and weave through the obstacles towards your goal.

## CLUB INFORMATION

There will be five sessions for Key Stage 2 children running every Wednesday after school from 26<sup>th</sup> February until 25<sup>th</sup> March 2020. Each session will run from 3.15 pm to 4.15 pm.

It's **quick** and **easy** to register and **pay online**. Take a look at the video and book your child a place by visiting:

**[digitalwizards.org.uk/wharton](http://digitalwizards.org.uk/wharton)**

Our clubs are **extremely popular** and quickly get booked up so we advise parents to **book early** to confirm your child's place and avoid any disappointment.

## LIMITED AVAILABILITY!

**Darren Bevan** recommends Digital Wizards.

My son Finlay really enjoyed digital wizards at abermorddu school. he learnt such a lot about technology and couldn't stop him talking about it when he got home. fully recommended and worth every penny! thankyou digital wizards!

**Anthea Marsland** recommends Digital Wizards.

My 10 year old daughter had a great time attending Digital Wizards breakfast club at Weaverham Forest School. She learnt lots of new digital skills and enjoyed all the activities especially the VR. She is looking forward to you coming back next year thank you.

**Natalie Harrison** recommends Digital Wizards.

Harry has REALLY enjoyed the Digital Wizards after school at Club at Mickle Trafford school. He is full of excitement when he leaves. He is eager to know when it is at school next year and is now booked on to the holiday club at his request! Thanks to all at Digital Wizards for making it so much fun!
