"A Place to Care, A Place to Grow, A Place to Shine"

"Train up a child in the way they should go and when they are old they will not depart from it" **Proverbs 22 v 6**

Friday 28th February 2020

Dear Parents and carers,

As a school it is a statutory requirement for schools to teach relationships and sex education under the new guidelines from September 2020. After discussing this at Parent Forum earlier this week it was agreed parents evenings next week would be an ideal time to share with you the Department for Education (DFE) guidelines for primary schools and some of the teaching materials we will be using in school. There will be a form provided for you to share your thoughts or ask a question.

"The Relationships Education, RSE and health Education (England) Regulations 2019 have made Relationships Education compulsory in all primary schools. Sex education is not compulsory in primary schools." DFE.

Copies of the DFE guidance and statutory requirements will be available for you to see alongside the resources and modules in each corridor in school. Please do take the time to have a look.

Kind regards

Mrs N Tomlinson (Headteacher)
