

CORONAVIRUS CRISIS

IMPORTANT ACTION REQUIRED & UPDATE

IMMEDIATE ACTION – PLEASE UPDATE YOUR CONTACT DETAILS

12th March 2020

Dear Parents and Carers,

In view of the current circumstances around the Coronavirus, we need to ensure we have your correct contact details.

We will be updating parents via Facebook/text/email and the website, regarding the current Coronavirus situation and so it is **VERY** important that we have your up to date information.

It is your responsibility, as a parent to download the School Spider app to your phone as soon as possible as this will be one of the main lines of communication. Contact the school office if you need a reminder on how to access this.

If you need to update or inform us of any changes to your contact details then please complete the slip below and return to school **immediately**. Alternatively contact school at your earliest convenience via email/phone call. admin@wharton.cheshire.sch.uk

As a town we are taking precautionary measures to minimise unnecessary contact and risk. We will keep you updated in line with daily guidance and information received from Public Health England and Central Government. There may be a need to reduce risk by restricting non-essential visitors to school and postponing organised events such as Easter Bingo.

Kind regards

Natalie Tomlinson Headteacher

.....
Please return to school immediately if there are changes to your contact details
