"A Place to Care, A Place to Grow, A Place to Shine"

"Train up a child in the way they should go and when they are old they will not depart from it" **Proverbs 22 v 6**

Monday 7th September 2020

Dear Parents / Carers

Please see below some important information we would like to re-publish regarding coughs/colds and PE days/kit.

Coughs/Colds

If your child is just showing cough/cold symptoms that could be considered seasonal like a runny nose or a tickly cough please send them into school. We only ask you to keep them at home and call 119 if they are showing any of the following classic signs of the COVID-19 virus:

- New, persistent cough.
- Raised temperature. (37.8 or above)
- Belly/tummy aches or pains.
- Loss or change of taste and/or sense of smell.

We trust parents to make an informed decision within these guidelines and if your child does have any mild cold symptoms we will monitor your child in school and we may take their temperature. If it starts to rise and become a concern we will contact you. Parents do need to be available to collect children that are unwell. Please make sure you have plans in place. Please refer to the COVID quick guide for further support directly linked to the above symptoms and use the closed@wharton.cheshire.sch.uk email account.

PE Kit and PE Days

If your child has indoor or outdoor PE we would like you to send them into school in their PE kit rather than bring it with them. **PE kit comprises a white t-shirt, black shorts/joggers, school jumper or plain sweatshirt and outdoor trainers. Pumps can be brought in a bag for a quick change if necessary. Plain black leggings can be worn if joggers are not available.**

Indoor PE
