"A Place to Care, A Place to Grow, A Place to Shine"

"Train up a child in the way they should go and when they are old they will not depart from it" **Proverbs 22 v 6**

Friday 25th September 2020

Dear Parents and Carers,

I am sure you are all aware of the ever changing rules and regulations in place to keep us safe and stop the spread of the coronavirus. We have many systems in place in school to support this and they are all running smoothly and working well.

As a staff team we are very grateful to the majority of parents and carers for sticking to the one way system and ensuring that children are dropped off and picked up safely.

Due to the continued, and at times unavoidable congestion near the Year 5/6 gate we have taken the decision that from Monday the whole school will need to adopt the one way system in the morning and at the end of the day, this includes when dropping children off for breakfast club. I appreciate that this for some is inconvenient but the safety of children and parents in the school grounds needs to come before convenience. In addition to the above we have received updated guidance from the Local Authority that will take effect from Monday 28th September.

- All adults to wear a face covering when visiting or entering the school premises including outdoor yard areas.
- Parents/carers to arrive and leave promptly when dropping off/collecting their child – please do not congregate and maintain social distancing as we know that the virus is easily transmitted from person to person.
- In schools where it has been agreed that a parent/carer can enter the school premises for drop off and pick up, only one adult should enter.
- All staff to wear face coverings when they come out onto the playground during drop off and pick up times.
- Young people to avoid congregating outside school and mixing with other schools and go directly home.

A quick reminder that drop off for all year groups is between 8.50 and 9.10am. Collection at the end of the day is:

- 3.00pm for Reception, year 1 and year 2
- 3.10pm for year 3 and year 4
- 3.15pm for year 5 and year 6

Can we also ask all parents to help their children to log into school spider at home and visit the new learning section for their class. If you have any problems with this please speak directly to your class teacher.

We thank you for your continued support in keeping our children and each other safe.

Kind regards

Natalie Tomlinson
