**Re: PSHE – Personal Social Health Education**

Dear Parents and Carers,

If you can cast your mind back to parents evening in March you will remember that we shared with you the resources that we use in school to teach the relationships and health elements of the curriculum. This is a statutory requirement. I thought it important to raise this with you again and give you an opportunity to have another look if you wish. The draft policy is also on the school website.

The resource is an award-winning resource [www.1decision.co.uk](http://www.1decision.co.uk), and a kite-marked and quality assured teaching product. There is a link on our website to a sample of the resources that you had the opportunity to look at in March. These resources have been developed over the last 7 years, each module having been carefully written by PSHE and Safeguarding experts.

If you would like to read the Government guidelines for primary schools we have loaded them onto the school website for you to read: [www.wharton.cheshire.sch.uk/serve\\_file/803288](http://www.wharton.cheshire.sch.uk/serve_file/803288).

We thank you for your continued support

Mrs N Tomlinson (Headteacher)
