"A Place to Care, A Place to Grow, A Place to Shine"

"Train up a child in the way they should go and when they are old they will not depart from it" **Proverbs 22 v 6**

15th November 2020

A pupil at the school has recently tested positive for COVID-19 and is currently self-isolating for the next 10 days.

We have worked in partnership with the Council Public Health Team to identify any staff and pupils who were a direct or close contact of the pupil when they were in school and have advised them that they will need to self-isolate at home for the next 14 days.

If you have not been advised to self-isolate this means you have not been in contact with the case and do not need to do anything further.

We would like to remind all pupils that if you experience any symptoms of COVID-19 please do not come to school, stay at home and arrange a test. You can arrange a test by visiting www.nhs.uk or calling 119.

These symptoms are:

- a high temperature – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- a new, continuous cough – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- a loss or change to your sense of smell or taste – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Thank you for your continued support

Mrs Natalie Tomlinson (Headteacher)

Wharton Church of England Primary School is an inclusive caring Christian community, committed to building futures for all children. We offer a safe environment where everyone is valued, we nurture strong relationships that are underpinned by our Christian values and we champion children to be the best that they can be, empowering all to aim high and achieve their full potential.
