Can parents/carers please note that request for absence that has not been authorised will result in a fixed penalty notice.

The Government discourages taking holidays in term time. Evidence shows that children who miss school do not achieve as well as those who attend regularly. The law has restricted a Head Teacher's ability to authorise holidays during term time. Head Teachers are now only empowered to approve a leave of absence when it is requested in advance by the parent or carer with whom the child resides and when circumstances of the requested leave are 'exceptional'.

Should you still choose to take a holiday with your child during this period the Local Authority will be informed as this will constitute an unauthorised absence. A Fixed Penalty Notice will then be issued in accordance with section 444 of the Education Act 1996.

The law stipulates that the current penalties payable by parents are £60 when the penalty is paid within 21 days and £120 when the penalty is paid within 28 days. This penalty is per parent/carer per child.

If the fixed penalty is not paid this could lead to parents/carers being prosecuted in the Magistrates' Court.

If you feel the decision has not taken into account any relevant exceptional circumstances, then you will need to contact the school immediately for further discussion.

Year one had a lovely trip to the Lion Salt Works this week where they learnt all about the salt panning industry that used to dominate Winsford in the 18th, 19th and early 20th centuries.

In forest school this week reception children have been taking part in archery.

Governor Chat

Dear parents and carers

I would like to introduce myself. I am Sue Tomlinson, and I am delighted to be Chair of Governors at Wharton C.E. Primary School.

A positive relationship with everyone in the school community is really important to me so please stop me for a chat if you see me around school. I have been a teacher for many years and have two grown up daughters. I love everything to do with teaching and learning and supporting your children to enjoy their journey through our school. As governors, we recently spent some time together to discuss why Wharton is important to us. Many governors have a long involvement with this community, and some went to this school as a child. I would like to thank you for supporting your child during their time at our school and I wish you a good summer break.

Can we please remind all parents scooters and bikes are to be walked around school and not ridden.

We would like to remind parents that due to the hot weather children will need to come into school wearing sun cream and they may bring some in for them to reapply in the afternoon. It is also important that all children bring a water bottle and sun hat into school with them.

Summer holidays – Parents guide to help keep children safe online

School's out for summer!

It's always best to be prepared

During the summer holidays, without the distraction of school, internet usage for many young people can increase all the way up to September. This guide is designed to help parents with a realistic approach to help keep their children safe when using the internet, social media and playing online games. Please click on each image below for more information.

Online safety is when young people know who they can tell if they feel upset by something that has happened online.

Parents please contact your school if you would like to attend a parents internet safety workshop or have any concerns.

Schools please [contact us](#) if you would like a SKIPS Safety Net session delivered to your parent groups or staff.
