“Train up a child in the way they should go and when they are old they will not depart from it” **Proverbs 22 v 6**

11th January 2024

Dear Parents and Carers

As we begin the new term, we would like to take the opportunity to revisit the uniform expectations.

Uniform is an important part of a school's identity. It reinforces who we are as a community and helps allow pupils to feel pride in their school. It also helps prepare pupils for life after school where many will have to dress smartly for work.

It would be fair to say that we have several interpretations of what is and is not acceptable uniform and we believe it is time to clarify our expectations for pupils and parents.

Please can you ensure that your child is wearing the correct uniform/PE kit for school. We ask that you please contact us if there is a legitimate reason why your child is not wearing the school uniform/PE kit in line with our school uniform policy. A letter will be sent home if your child attends school wearing clothes not in line with our school expectations.

We look forward to your support in ensuring that all pupils are treated equally and trust that the guidance below makes things much clearer for everyone.
