Can parents/carers please note that request for absence that has not been authorised will result in a fixed penalty notice. The Government discourages taking holidays in term time. Evidence shows that children who miss school do not achieve as well as those who attend regularly. The law has restricted a Head Teacher's ability to authorise holidays during term time. Head Teachers are now only empowered to approve a leave of absence when it is requested in advance by the parent or carer with whom the child resides and when circumstances of the requested leave are 'exceptional'.

Should you still choose to take a holiday with your child during this period the Local Authority will be informed as this will constitute an unauthorised absence. A Fixed Penalty Notice will then be issued in accordance with section 444 of the Education Act 1996.

The law stipulates that the current penalties payable by parents are £60 when the penalty is paid within 21 days and £120 when the penalty is paid within 28 days. This penalty is per parent/carer per child.

If the fixed penalty is not paid this could lead to parents/carers being prosecuted in the Magistrates' Court.

If you feel the decision has not taken into account any relevant exceptional circumstances, then you will need to contact the school immediately for further discussion.

Due to the consistent problems we are having with people parking dangerously, we now have traffic enforcements in place. This will be on going and fines will be given if problems persist. There is no access on to school grounds unless you carry a blue badge. Parents **MUST NOT park along the drive, down to the school!**

This is especially dangerous now for children coming in and out of school as parents are turning in the road due to the barrier. This also reduces visibility crossing the road. Parents can use the public carpark next to the school. Please help us in keeping the children safe at drop off and pick up times.

All parents of late children that come through the front office will be asked to fill out a reason for lateness slip explaining why they are late. Letters have been sent out and are available on our website for further information.

Dogs are also not permitted onto school grounds!

Thank you to those parents that have taken the time to stop and chat either on the playground or in the front entrance to welcome me back to school.

School life is good for the soul and I have thoroughly enjoyed seeing the children, catching up with their news and celebrating their successes in celebration assemblies over the last couple of weeks. The weather is improving and we have Sports day to look forward to at the end of term and I look forward to catching up with more of you then.

SATs week has started, and the children were a credit to you and us! We welcome all year 6 to join us for breakfast each morning. We wish all of our children good luck.

Thank you to all those who came to join us in celebrating our year one children's hard work in their class assembly, it was great to see so many of you.
