# CREATION?

Come and hear how Science and  
the Bible share the same story

- Clever designs in nature and how we've copied them
- Is the human eye poorly designed?
- Real examples of claimed 'evolution' and what they really show.
- Why do some people believe that we share a common ancestor with other primates?

Speaker: Philip Armstrong  
BSc (Hons), Biology.

Date & Time: Friday 24th May, 7:30 pm

Venue: Wharton Church Centre,  
169 Crook Lane, Winsford  
CW7 3DR

Then God said, "Let the waters swarm with fish and other life. Let the skies be filled with birds of every kind." So God created great sea creatures and every living thing that scurries and swarms in the water, and every sort of bird - each producing offspring of the same kind.
